## [9th WAVE - THE ISLAMIC WORLD](#)

There was a time when Islam was the Light of the World, people of the Book were honored, and Sufi poets blessed the world.

Today, Muslims are often falsely scapegoated and blamed for things they did not do. Many of us know the truth, including 9-11.

We know that Islam is about peace, and not war. What does Allah want? What peaceful solutions would Mohamed find?

## [9th WAVE - THE ILLUSION UNRAVELS](#)

[ ]

Many, seeing old structures collapse, are fearful and uncertain what will happen. As usual, Ron sees the good that is coming out of the apparent chaos.

We are aligning with spiritual energies that will change everything - inside and out.

### [THE 9th WAVE - CHINA](#)

The spiritual awakening is happening all over the planet - even in China. The Soul Power Movement is indicative of this.

It is the recognition that everything, from the tiniest unit to the most complex being has consciousness.

This awareness is changing the world as we acknowledge that everything is alive and all life is interconnected.

### [ALIGNING WITH 9th WAVE ENERGY](#)

[ ] As the energy of co-creation sweeps our consciousness, it is important to help each other heal from our wounds and release our concepts of separation.

Indeed, all of the artificial divisions we have created in the past must be transcended as we move into a new world of peace and love.

### [ ] [9th WAVE - EGYPT](#)

From the cradle of modern civilization where East meets West, the ninth wave begins with the capitulation of Egypt's dictator/president as the flame of freedom burns brightly. Yes, Egypt, the land in which Judaism, Christianity and Islam were rooted now begins a wave that will sweep the world.

Corporate rulers around the world will cede power back to the people as the 9th wave progresses.
