

Sacred Journey trip to Mexico for the celebration of the Spring Equinox

Come and join us in our annual trip to the ancient sites of the Mayans. Learn and walk through the jungles of Mexico with the living descendent of the royal kings from UXMAL 'Don GASPAS ANTONIO XIU.' This sacred journey would be an amazing opportunity to learn directly from him about the ways and customs of the Mayans people. Join us from March 19th through the 28th of 2010.

Ways and customs of the Mayan from Don GASPAS XIU:

The Maya culture flourished in a time where there was no interference from any foreign culture or foreign power. The ways of living from our ancestors are a mirror for humans to see themselves and realize that interference from foreign powers into communities and other societies is the source for hatred and discord resulting in human life endangerment.

Message from Don GASPAS XIU:

My message to the World is to live a peaceful coexistence, to respect the rights of others, to love one another without bearing grudges and hatred in order to prepare ourselves for the World of tomorrow that will come in the next great cycle registered in the Mayan prophecies. Hatred, power supremacy, human exploitation, envy and grudges must end. Humans are not a product of power, but of humans.

In this amazing journey we will visit sacred sites like:

Sacred Cenote IK-IL, sacred caves of LOLTUN, sacred waterfalls of MISOLHA and AGUA AZUL, the ancient sites of CHICHENITZA, MAYAPAN, UXMAL, EDZNA and PALENQUE

This journey is an opportunity to experience the energy changes of the Mayan calendar you would be learning the mysteries of the calendar from Dr. Jose Jaramillo and the real meaning of the year 2012. Also Don GASPAS XIU would be explaining in detail the meaning of the Mayan Prophecies and more.

For those who decide to join us in our annual sacred trip would be experiencing daily meditations and at the end of our journey we would close our journey with a Mayan Fire Ceremony at PALENQUE.

This trip would be from Fridays March 19th through Sunday the 28th of the year 2010. Our sacred journey trip includes round trip flight living from San Diego California, ground transportation, hotel, and entrance to all sacred sites, also the closing fire ceremony.
