### [9th WAVE ENERGY IS SWEEPING THE WORLD](#)

The outpouring of love many are feeling is sweeping the world. It is truly a beautiful thing to experience the connection of heart to heart and soul to soul as we awaken and merge our divine and human Selves, making them one. The new world that we are co-creating is magnificent and totally awesome. Can you see it yet? Added: March 7, 2011

### [9th WAVE - TIME TO TRUST IN YOUR S E L F](#)

How often was I unwilling to trust in the Divine within me, as me? For most of my life! It's probably true of many of us. Spirit tells me today, "It's time to trust in your SELF." Are you getting the same message? Added: March 6, 2011

### [9th WAVE - DIVINE DARKNESS](#)

"God is light; and in him is no darkness." "Moses drew near the thick darkness where God was." Paradoxes! Difficult conundrums! Elusive enigmas! What are the treasures of darkness? Added: March 5, 2011

### [9th WAVE - EMOTIONAL HEALING, A CRY FOR LOVE](#)

Every one of us has felt what we term negative emotions. So often we deny them, ignoring them and wanting them to go away. Could they be a wounded part in each of us that is simply crying for love? What would happen if we chose to love those parts of ourselves that feel bad? We just might be transformed! Added: March 4, 2011

### [9th WAVE – 1st NIGHT - FUNDAMENTALISM](#)

Ron feels that Ian Lundgold's (and Carl Calleman's original) breakdown of the 9th Wave of 13 20-day periods seems more "correct" than Dr. Calleman's newer version where the 9th Wave begins on March 9th and has 13 18-day periods; but it doesn't matter, since they are only points of view. We don't have to be fundamentalists about this, making the other viewpoint wrong. Added: March 3, 2011

### [9th WAVE - LET'S GO BACK TO THE GARDEN](#)

The human family is weary of all the confusion and chaos of what we call our modern world. Listen to your own heart as the Poet invites you to come back into the garden. In fact, we can each go into our own garden and find the peace and wholeness that is our birthright, our destiny. We were created as and for love. Once we remember to love again, we are empowered to transform everything. Added: March 2, 2011

### [9th WAVE - THE GODDESS](#)

How has the Feminine, and Woman, been treated in our patriarchal cultures? Not very well! And Jesus turned to the woman caught in the act of adultery, the one that the fundamentalists wanted to stone, and he said to her, "Neither do I condemn you." The 9th wave is a time of awakening when we absolutely must bring the God and the Goddess, the Masculine and the Feminine into balance and harmony -- otherwise, nothing will change. Added: March 1, 2011

### [9th WAVE - DANCE WITH ME](#)

Ron shares his automatic writing from the workshop he was in yesterday. Listen as he shares this message from Spirit inviting us to dance. Added: February 28, 2011

### [9th WAVE - NOTHING TO HIDE & NOWHERE TO GO](#)

So many warnings and fearful messages! They bombard us -- even if we don't want to pay attention. What does your own personal guides tell you? To me, mine indicates that it all has to do with how I choose to see myself in the world around me. Added: February 26, 2011

### [9th WAVE - BEING AUTHENTIC](#)

Okay, I admit it. I've long made excuses for not doing or receiving what I want. Yes, I've blamed circumstances and even God, but in reality it has always been me that has sabotaged my own life. I have long denied my own self; and it's time now to be authentic. Added: February 27, 2011

### [9th WAVE - WHY DO WE NEED OPPOSITES?](#)

This question was asked by a man commenting on the previous video. I ask another question: "can pairs of opposites be separated?" Take a coin. Give me the head, and keep the tail. Can't do it? Of course not. Pairs of opposites cannot be divided. They are indivisible. Opposites give us the gift of contrast. Without them, life as we know it could not exist. Added: February 25, 2011

### [9th WAVE - EVOLUTION OF CONSCIOUSNESS, part 1](#)

Someone asked me the question: What do you mean by the evolution of consciousness? Simply stated, it is letting go of the limited consciousness of separation and the embracing of the truth that everything comes from the same Source. We call that source God. God is All That Is. Knowing this allows peace to fill the soul. Added: February 23, 2011

### [9th WAVE - EVOLUTION OF CONSCIOUSNESS, part 2](#)

This more or less continues where the previous video leaves off. Ron shares a poem he wrote in 1983 called "Oh Womb". It was the cry of his heart then; in many respects it still is. What about the cry of your heart? Added: February 23, 2011 03:40 AM

### [9th WAVE - PASSIONATE PEOPLE](#)

This is actually a video response to my own video from yesterday: ILLUMINATI, LORDS OF THE UNDERWORLD. I talk about speaking with passion and how it effects some people. This is my perspective. What's yours? Added: February 22, 2011

### [9th WAVE - ILLUMINATI, LORDS OF THE UNDERWORLD](#)

A powerfully provocative message from the Paradoxman, this is the heart of understanding creation and the evolution of consciousness. This is the awakening, the peace that ends all wars - IF and when we are willing to see from the higher perspective. Added: February 21, 2011
