

Hello Mike,

Here are my 9th wave videos from April 17-29. Thank you for posting them on the site as well as in the newsletter.

Namaste,  
Ron

### [9th WAVE - TO BE FULLY HUMAN IS DIVINE](#)

We've all told ourselves a big lie: that God won't love us if we allow ourselves to be human in all that it entails. The anitchrist is not one that denies the Divinity, but rather one that denies the humanity. We often try really hard to be so heavenly that we're no earthly good. Here's a different perspective, though not new, of the spiritual awakening. Added: April 29, 2011 04:07 AM Time: 15:02

### [9th WAVE - A FIRESTORM IN FLORIDA](#)

After yesterday's video, even more feelings were expressed as emails flew in every direction. Demands from the control faction were sent out to parties invited to the May Day meeting on a letterhead revealing that the Republic was acting as a CORPORATION. Yes, I was involved. What is happening is sad, yet very revealing. Here's more of the story. Added: April 28, 2011 04:04 AM Time: 14:40

### [9th WAVE - FEELINGS OBSERVED](#)

Love, that Divine part of us, is an observer. It is totally neutral, watching to see how we respond in each given moment to what we are thinking about what we are looking at in our lives. Ron shares his meditation regarding his feelings about what he sees happening in the Republic of Florida. Added: April 27, 2011 04:10 AM Time: 15:05

### [9th WAVE - HIDDEN PURPOSES, UNKNOWN MEANING](#)

To say God doesn't care about morality is a loaded statement. Lots of hot buttons! It's not an absolute truth. Truly, God cares about everything. God is Love. Love always cares. The point is: Love does not judge. Love loves! Added: April 26, 2011 03:57 AM Time: 16:49

### [9th WAVE - BANKS, COURTS, GOVERNMENTS & CORPORATIONS](#)

Truth #2 in a course we are taking at the New Way claims: Abundance is a here-and-now reality. That is simply not true for most humans; and it will not be until we address the matrix in which we collectively experience our human reality. We simply do not live in a system where people even know who we are individually; and there can be no abundance when living in ignorance. Added: April 25, 2011 03:19 AM Time: 19:52

### [9th WAVE - GOD DOESN'T CARE ABOUT MORALITY](#)

To many people, at least in the US, morality begins and ends with our sexuality. Is the insane attack on our most innocent essence at the root of violence in our world. Does God care who we love and how we express it? Ron says NO! What do you say? Added: April 24, 2011 04:13 AM Time: 16:07

### [EVERYONE DESERVES ABUNDANCE!](#)

Rev. Sue Bailey, in her own words, "Everyone Deserves Abundance! That is what prosperity teachers say. So what is the problem? Maybe the only problem is that we are still listening to prosperity teachers who tell us that everyone "deserves" anything. If that is true..... well, just look

around, something must be terribly wrong!" Her talk brings up the critical question: What is truth? Added: April 23, 2011 04:56 AM Time: 33:35

### [9th WAVE - THE NEW WAY](#)

The purpose of The New Way is to maintain a safe, supportive, loving place for all people to explore their humanity and divinity, so as to be a light of truth, co-creating a world of peace.... Ron talks about the spiritual group that he is part of in Cocoa, Florida. Added: April 23, 2011 02:52 AM Time: 13:14

### [9th WAVE - GRATITUDE LOVING MY LIFE](#)

What are you grateful for today? On this Good Friday, Ron is grateful for many things...and people. He mentions some of them, including Kirk Nugent, Paige Bartholemew, and Dr. Mary Horgan. He's grateful for you too. Thanks for watching. Added: April 22, 2011 03:07 AM Time: 15:03

### [9th WAVE - NO GREATER LOVE](#)

The 1998 Academy Award winning movie, What Dreams May Come starring Robin Williams, is the theme Ron uses to explore the inexhaustible concept of Love. From heaven to hell and back, we get to experience whatever we focus on. Are we willing to find the "No Greater Love" that is within each of us? Added: April 21, 2011 03:07 AM Time: 15:01

### [9th WAVE - LOVE DOES NOT ALWAYS MEAN ACCEPTANCE](#)

I misquoted myself and misrepresented Nathan in yesterday's video. I had made the statement, "Unless you love it all, you do not love at all" in my talk on Sunday and follow-up video on Monday. Nathan responded to that. Tuesdays video was really about loving everyone, not about accepting everything people do. Clarification is necessary. Added: April 20, 2011 01:53 AM Time: 15:04

### [9th WAVE - CAN WE LOVE EVERYONE?](#)

The statement was made in previous videos: unless we love it all, we don't love at all. Is that true? Nathan made a video response, Jason provided his perspective, and Mike Dooley shared his thought. Ron weaves these together, providing possible catalysts to help answer the question. Added: April 19, 2011 03:53 AM Time: 16:57

### [9th WAVE - LIGHT WORKERS ON THE DARK SIDE](#)

Ah, the paradox! From which perspective is your "reality" defined? Can you only see from the human perspective of polarized opposites; or can you also see from the Divine vantage point where it's all one thing? Seeing from both simultaneously is how we make the unconscious conscious. This is how we turn on the lights we all are. Added: April 18, 2011 03:53 AM Time: 14:59

### [9th WAVE - AWAKENING TO OUR DIVINE GIFTS](#)

This talk was given on 4/17/2011 at The New Way POD in Cocoa, Florida. Lots of things to think about! What will you do with your Divine gifts in this time of quantum change? Added: April 17, 2011 02:21 PM Time: 29:16

## 9th WAVE - ANTICIPATION: THE EXCITEMENT BUILDS

Ron is feeling excitement as he anticipates the day ahead. Again, he is talking about the paradigm shift occurring in this 9th wave. This is our time to awaken; and it's happening all over the planet. Added: April 17, 2011 03:44 AM Time: 13:46
