

Hi Mike,

Here are my 9th wave videos from July 30 to August 11. Once again, I appreciate that you include my videos in the Mayanmajix Newsletter. Thank you.

Namaste,
Ron

[9th WAVE - ALL YOU NEED IS LOVE](#)

It was John Lennon who wrote the song. (Yes, I looked it up to make sure.) He said, "There's nothing you can know that isn't known/ Nothing you can see that isn't shown/ Nowhere you can go that isn't where you're meant to be." ... "All you need is love!" But it must be more than a cliché or catchy slogan. Margie Ruzzo: EVERYTHING IS ALL ABOUT LOVE! August 11, 2011 03:53 AM

[9th WAVE - WE ARE ONE IS NOT A CLICHÉ](#)

How many times do I find myself thinking or saying, "The world would be a better place if only we could get rid of ____" (fill in the blank). That's really oneness, isn't it? No! That's our polarized thinking to which we have become habituated. This 9th wave is about unity consciousness, and no one gets left out unless they personally choose that for themselves. [9th WAVE - SEEING OUR CHALLENGES AS INITIATIONS](#)

Secret societies know all about initiation. It's what secret societies are all about. Everything is another level for the initiate to discover more about him or herself, and in the discovery, each develops mastery of the senses, ultimately leading to a mastery of life itself. We become conscious co-creators instead of victims. Is that what this 9th wave is all about? I think so. August 9, 2011 04:06 AM

[9th WAVE - APPEALING TO HIGHER COURTS](#)

The highest law anywhere is the law of nature, or natural law. Every learned man or woman knows this; in fact, it is intuitive. We simply know the truth beyond all attempted denials to the contrary. That is the metaphysical reality, which is the very basis for the great spiritual awakening now bursting forth in human consciousness. It is unstoppable! August 8, 2011 03:18 AM

[9th WAVE - WHAT IS THE UNITED STATES OF AMERICA?](#)

Do you really know? SURPRISE: It is not a nation! It is a privately owned, for-profit CORPORATION where the owners are an elite cabal of international bankers made enormously wealthy by controlling the flow of information in order to keep the masses in subservient ignorance so as not to interrupt the transfer of wealth into the coffers of the super rich ruling class and their well-paid minions. The controlling group is known as The Federal Reserve Bank, or simply The Fed. August 7, 2011 03:50 AM

[9th WAVE - THE PROBLEM WITH LOVING EVIL](#)

I listened to your latest video (9th WAVE - EITHER-OR, BOTH-AND MORE). Help me understand why murder, maiming, genocide, and satanic ritual abuse should be viewed as an experience of consciousness that we should embrace...as you stated, we need to "love

[that which causes us] fear'. In other words, love your predator; let it kill you, your children... Tell your consciousness that your rape & murder is an act of love by the predator, and you will experience it as love? That was my take home message. So I should have celebrated the rape of my son, and believed that continued satanic ritual abuse would change his experience if he learned to dissociate his consciousness to view his rapist as a divine being? Will this also work for the 800,000 children/year who are being sacrificed by the Luciferians? Will this work for the millions of children whose brains are being fried by vaccines? I see you as an intelligent man, so my mind is reeling that you would be promoting what to me is insane. August 6, 2011 04:07 AM

[9th WAVE - EITHER-OR, BOTH-AND MORE](#)

What is polarization? To me, it's not the same as duality. Generally, the Western mind thinks in terms of either/or, whereas the Eastern mind thinks more in terms of both/and. What are the implications of these two ways of seeing the world? August 5, 2011 01:41 AM

[9th WAVE - LOVE & FEAR DO COEXIST](#)

Okay, we've believed the cliché. A Course In Miracles and other spiritual teachings have driven the point home: "We cannot have fear and love happening at the same time. It has pretty much become an accepted truth; but is it? Well, like everything else, it depends on our perspective. What if we could see as God sees? August 4, 2011 04:10 AM

[9th WAVE - ICONOCLASTS, THE RENEGADE VOICES](#)

There are always forerunners to every major change. Jesus had John the Baptist. Today we have David Icke, Benjamin Fulford, Carl Calleman and so many more. An increasing

number of people are hearing the message being delivered by the growing army of renegade voices, men and women paving the way for our brighter tomorrow. We iconoclasts are the system busters. August 3, 2011 03:27 AM

[9th WAVE - PENETRATING MASS MIND CONTROL](#)

The collective consciousness has been manipulated all along. Those that will not admit it are the very ones most entrapped by it. There are no bars more effective than the ones you choose not to see. Though it has been prevalent, it is being penetrated by the Light of Love operating in and through everything. When you are ready and willing, you will feel it too. August 2, 2011 03:31 AM

[9th WAVE - HARMONIC DEFIANCE: AWAKENING TO GREATNESS](#)

How can one be defiant and yet in harmony? Sounds like a challenge, doesn't it? Imagine two forces at work. One is your past, the other your future. They converge in the now. The past would keep you enslaved to the way it has always seemed to be. The future would liberate you to create a new way of being. Right here, right now, we are each making the choice. Which will we embrace? I choose to be in harmony with where we are going, and to defy the past from recreating itself in the future. I see the human family as destined for greatness. [9th WAVE - SO GREAT A LOVE](#)

The grace of God, to me, is the most radically energizing power operating on this planet at this time. God loves us all no matter what we may have done, although recognition of the grace is essential if we are to gain the benefit at a conscious level. Let me share a

poem I wrote nearly two years ago about how I believe God sees our sins. July 31, 2011

[9th WAVE - WOUNDING OUR OWN INNOCENCE](#)

Last night in the workshop, we did an exercise about judging, hurting and lying. It was really about forgiveness. Who, or what, do we have the greatest difficulty forgiving? For me, it is myself and child abuse, or said another way, wounding my own innocence. How much am I willing to plumb the depths of me in order to discover the truth that will set me free and the love that will heal me? July 30, 2011 04:05 AM
